"Sex in public is the best! I like the danger."

"Before I let my guy take these pictures, the kinkiest thing I had ever done was some domination and submission stuff with an ex at his house," Kharlie told us. "He tied me up and blindfolded me. He spent a long time spanking me and fucking my face. That was the first time I ever had anyone lick my ass, too. He tongue-fucked my pussy and butt."

"I'm a hockey fan. I love the Chicago Black Hawks. But if a guy really wants to take me out on an awesome date, he should take me to the beach. I like to concentrate on the games when I'm there, and being on a date would be a distraction!" Kharlie considers herself a bisexual but loves cock way more than pussy. "I've dated a few girls. They were a lot of fun, but the sex isn't as fulfilling as it is with a guy," she said. "I just like getting my pussy filled up more than I like having it licked and fingered."

"I'm a nympho who loves everything about sex. When I'm in a relationship, I'll easily have sex three times a day. Doggie-style is my favorite position. I love when we're fucking that way and the guy plays with my ass. I love anal play; I just don't like when the guy sticks it in. Cocks are too big! But if I'm getting fucked from behind, and the guy spits on my asshole and starts rubbing the outside, or sticks the tip of his finger in there, I'm in heaven. I'd be open to trying anal again, but I'll have to wait for a guy with a small dick."

Reader CONFESSIONS

One reader tells us about exploring his fetish with a stranger from the Internet. Another guy gets the birthday surprise of a lifetime.

Craigslist Hookup

About ten years ago, I was freshly single and ready to start dating again. I was also working around 60 hours a week (hence being single), so I didn't have a lot of time to go to bars. I tried Internet dating, but most of the women on those sites were cows. I did, however, get really, really lucky once on Craigslist.

She was in her mid-to-late 20s. The night before I met her, I had decided to say "fuck it." I have always had a panty fetish, so I wrote an ad about how I wanted to cum in a girl's drawers. I didn't want to hire a hooker, and I wasn't looking for a relationship. I just wanted to shoot my seed inside a girl's thong.

To my surprise, I got a response from this mystery girl who thought my debauched idea was hot. The plan was for me to go to her apartment, have her give me a fashion show with her modeling her panties, and then I'd pick my favorite ones and jerk off onto her while she was wearing them.

I was nervous as I walked up to her front door. I mean, I didn't know anything about this girl. For all I knew, behind this door was some burly dude waiting to kick my ass and rob me as soon as I crossed the threshold. Then she opened the door and greeted me in a pair of full-bottomed cotton panties and a tight, white tank top. No bra. I picked up my jaw and gave her a clumsy hug; her breasts pressed against my chest, and I wanted more than anything to reach down and give her butt a squeeze. She was a few inches shorter than me (around 5'7"-ish)

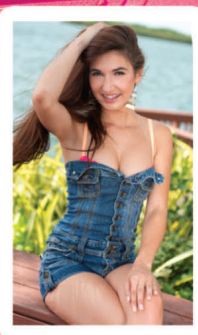

Which pair will you ask her to model for you after these?

with reddish-brown hair and perky B-cup tits. She grabbed me by the hand and led me to her bedroom to get down to business. She had laid out a dozen or so panties on her bed. I grabbed my favorites and told her to put them on. She slid out of the pair she had on when she greeted me at the door before pulling on a cute pink thong. I took advantage of the situation. I laid on the ground and told her to walk over my body, giving me a look up her long legs. Seeing her pussy mound bulging against the cloth in the thong gave me the hardest erection of my life.

I picked out another pair of panties for her to model, and then I instructed her to lie on the bed and start touching her pussy through her

underwear. I unbuttoned my jeans and began to polish my knob. I had enough precum I didn't need any lube or spit. She took off her tank top and gave me a look at her sweet, young titties. Her right hand was going to town on her clit through the light-blue silk panties she had on, and her left hand was pinching her nipple and massaging her chest.

I couldn't stand the pressure anymore, and I had to cum. I asked her if she preferred getting the front of her underwear sticky or the rear. She told me she wanted to watch me as I came, so I got on my knees on the bed while she was still masturbating. If I wanted to, I could have leaned forward and plunged my cock inside her, *Continued on page 64*

Michelle's biggest dream is to become a world-famous model. Because we're good guys here, we decided to make her dreams come true! "Thank you guys so much! I've always wanted to be in a men's magazine. I think this is going to be an awesome adventure. I'll try anything once," she told us. "That's how my boyfriend has convinced me to do some really kinky shit."

"The first time my boyfriend fucked my face I was worried about the mess, so we decided to do it in the shower. At first, he was really gentle, and I was kind of getting bored. Then, as he started getting more into it, he picked up the pace. Eventually, his cock was ramming my throat, and my eyes were watering. He had my head in his hands, and he was treating my mouth like a pussy."

"I'm naturally submissive. My biggest fantasy is for my boyfriend to act like Christian Grey from 50 Shades. I want him to use me. I think the psychological stuff gets to me. For instance, my boyfriend and I always joke that he fucks me twice. He'll fuck with my mind, making me crazy and horny and so dependent on him, and then he'll make me fuck him, and the release of all of this pressure of needing to please him just washes away. It's incredible and stupid at the same time. Still, it's amazing."

You know what they say about Naomi, right? If you spell her name backward, you get I MOAN. She told us that she does, in fact, moan when she's getting railed. "You have to hit my G-spot, but if you do that hard enough, my entire body will start shaking, and I won't be able to help myself. I feel a primal scream come out of me! I've even scared some guys who have fucked me into an almost zombie-like trance." When Naomi walked into our studio, she introduced herself to everybody in sight. There's no way you can miss this outgoing blonde amateur, screaming or not!

"One time I was horny when I was shopping with my boyfriend. I took him into the Forever 21 dressing room and started sucking his cock. I wasn't shy about it, either. I was slurping on his dick, licking the balls and squeezing his ass. By the time I bent over and he stuck it in me, he was ready to nut. That was the first time he gave me a creampie! I definitely let some moans out when we did that. We left in a hurry, for sure."

"My boyfriend is a photographer in Berlin. I met him at a concert. He was taking photos of the band for a local zine. I told him that I know the drummer, and I got him backstage. He took me out for a beer the next night to say thank you. We were back at his apartment and in bed in an hour. He moves quickly! He took these photos of me."

**"My boyfriend

with everyone."**

"At the concert, I did not tell my boyfriend that I was sleeping with the drummer, and that's how I know him! He knows now, obviously. In fact, the three of us had a three-some a little while back. That was a first for me. It had always been a fantasy. I loved the feeling of two men kissing me, touching my breasts and ass. Having one man in my mouth and one in my cunt was simply orgasmic. It was blissful for them, too."

"I sent in my photos to get a check to go towards my titties fund," said Brooke. "I want titties so I can look sexier when I'm dressed and feel better about myself. It's really an image thing. It's not like I have any trouble getting dates. It seems like there are as many guys out there who like flat-tits like me as there are guys who go for huge tits. My nipples are super-sensitive to being fondled or sucked when I'm screwing, but I'd trade that for cleavage. Pretty much every guy I've ever been with have told me that I'd be sexier with big tits."

"I love my vibrator. I like to call it my pocket boyfriend! I bring it everywhere with me. One time, I was out with my girlfriends, and I left my purse on the table when I went to the bathroom. My vibe accidentally turned on, and my friends thought that it was my cell phone. They went looking for it and ended up pulling my toy out in the middle of the restaurant!"

HAIR TODAY, GONE TOMORROW

Bush Babies Before & After

Anna

It's a sad fact of life that girls nowadays prefer a shaved pussy. That's a damn shame to us guys who like Bush Babies. Don't get us wrong, we love a shaved cunt as much as the next guy, but there's something sexy about a thick thatch of pubes on a woman. To appease everybody, we made this Before & After special for all to enjoy.

Cheryl

Lisa

The debate over which pube style is the best has raged for years. For hairy fans, the 70s and 80s were glorious. For Brazilian-waxing fans, the 90s and the 00s were heaven. Now we're in a transition period, but hairy pussy still seems to be passe to most. With every Bush Baby shaving video we post online, an active debate occurs in the comments section. Some members lament the loss of another beautiful bush while others cheer.

Nobody knows what the future holds for fans of hirsute ladies. We can't predict shaving trends...yet. We've got pussy researchers working on it in the *SCORE* labs, but it'll take time! Meanwhile, these Before & After specials will continue to be the best option for everyone. And, as long as women continue changing their minds about what they prefer, we're going to be receiving more submissions from them involving the razor. Is that a good thing? You tell us at editor@naughtymag.com.

Zelda told us that she wanted to travel to Thailand more than anything. We asked her what attracted her to Thailand. Is it the architecture? The culture? The food? "I want to go so I can fuck the lady boys," she told us. "Think about it. It's a chick with a fat cock. It's the best of both worlds!" Guys, that's Zelda for you. She's kinky.

Zelda is one of the horniest young ladies we've ever had the privilege of meeting. Because she's so horny, no matter who you are, you probably have a shot at getting in her pants. We asked her if she likes older men. "I do," she

responded. "I like all men. I like all women, too. I date a lot, and I don't have a type. My preferred dates are going to dinner. If it doesn't work out, at least I get dinner out of the deal. Honestly, though, my dates usually end with sex."

"I had my first lesbian experience when I was probably too young. I was so nervous and dizzy, and she was an absolute goddess. She guided me and made it so sensual and exciting. I loved licking her and tasting her. I ate her out for almost half an hour. Then it was her turn. I swear to god that it was the best oral I've ever had. She knew exactly when to finger me, when to suck or flick my clit, and when to go fast. She made me feel like I was high on drugs."

FALL 2016

"Even though I like boys and girls, nothing beats a hard fucking. It's the most satisfying feeling in the world. I really like roleplaying sex. I'm young looking, so I like being daddy's little girl. I dress up in sexy, young clothes and the guy wears a suit. I get off when he spansks me or teaches me a lesson. It usually ends with the guy 'teaching' me how to suck his cock and fuck."

Cali's taking a nice, hot shower, and she's bringing you along. Do you think you can get her back? How about her thick backside? Yeah. We thought so. "I wanted to make sure I got really good shots, so I asked my ex to take them. He was game, of course!"

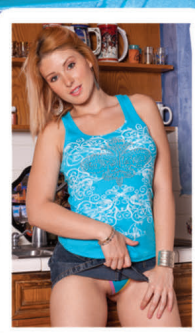

**“My pussy is
ready to be

Cali heard about our company from a friend of a friend. "This girl just bought a new car, and she said that she sold you guys some photos," she told us. "So I figured I'd take some, too. My ex helped because I gave him a blowjob afterward. He wanted to fuck my ass, which is something that we used to do all of the time when we dated, but anal with an ex just seems too...much. You know? I'm usually down for an ass fucking, though."

"My boyfriend and I take naked pictures all the time because I want him to jerk off while thinking about me," Sasha told us. "In fact, I sent some pictures to you guys a long time ago, but I don't know if you used them in your magazine or not. Anyway, we were talking about sending in pictures a few weeks back, and I decided that it would be really fun."

"Tell me
what
you
would do
to me."

"We started taking pictures on a lark," Sasha let us know. "I never thought I'd ever let somebody take nudes of me. I have never been one of those girls who sends naked snapchats or nude texts to guys.

Then I met my boyfriend and everything changed. We have such chemistry together. One time, he was fucking me and suddenly stopped. He got up and grabbed his cell phone to take a picture of me."

"He told me that I looked so sexy, he just had to remember that look forever. I don't know if it was just a line, but it totally worked. My pussy just started gushing, and I wanted to put on the best show possible. I fucked him until he was about to blow, and then I sucked him and let him jizz all over my face!"

but I didn't have a rubber, and we hadn't discussed any of that beforehand. So I quickened my jerking and began to erupt all over her silk panties. As the first shot landed on her crotch, she pulled the panties to the side and started to rub my jizz into the landing strip she had shaved above her pussy.

After I had finished, I stood up and watched as she slid out of her bloomers and began to wipe up my cum with them. I asked her if she was going to keep them because I would love a souvenir of our exciting afternoon. She told me that she loved that particular pair, but if I wanted to come by some other time, I could make some more, and I could keep them. Of course I did.

Birthday Sex

As I get older, the days that I look forward to become fewer and further between. I used to look forward to Christmas Day as a kid, but now I dread the whole holiday season. And my birthday used to be something that would build a happy anxiousness in my belly for weeks, but now there's only one thing that excites me about turning another year older. I

still look forward to birthday sex.

Of course, not everything goes to plan. My wife had a business meeting scheduled for the entire week of my birthday. She gave me a blowjob the night before she left, but she had already taken a sleeping pill to rest up for her long flight the next day, so it was lackluster, and I ended up having to jack off in order to finish. She promised me that when she returned, she'd make it up to me. That week was one of the longest of my life. I was all blocked up in my balls, but I didn't have the motivation to masturbate. I wanted my wife to give me my orgasm, you know? I was frustrated and a little pissed that she left before giving me a piece of that ass!

When I picked her up from the airport, I was essentially a ticking time bomb of cum. In the car, I placed my hand on her thigh as she told me all about the conference she attended. Her smooth legs taunted me. I hardly heard a word about her trip, even though she was going on and on about it! She must have noticed my distraction because she

placed her hand on my thigh, a little too close to my package to be an accident, and she told me that she bought me a surprise while she was away. I asked if I could see what it was, expecting a mug or a shirt or something, which is what she usually gets me when she goes away. She told me she'd show me at home.

Later, after we got home and she

poured herself a glass of wine and got me a beer, she pulled a purple box with a white bow on it out of her suitcase. I took a sip of my brew and began to untie the bow. I lifted the lid and was immediately greeted by a plastic package covered with images of women in various states of undress. It was a sex toy! I felt my sexual tension shoot through the roof. I couldn't wait. I picked up the hard plastic wrapping and looked at the other side. Printed right on the front was an image of a woman on all fours, her shaved pussy glistening wet and her asshole stuffed. My wife bought a butt plug!

I was floored. My wife has never been into anal sex. In fact, we had only tried it twice in the past and both times ended in disaster. Let's just say that it didn't go as easily as it seems to go in porn. I hurriedly opened the plastic casing to inspect her purchase, but when I pried apart the clamshell casing, it was empty.

I looked to my wife, who had already gulped down her chardonnay, and she had on the most-mischievous smile

Bras: 34B

Panties: Victoria's Secret
Anal: Licking and fingers only
BJs: Swallow
Masturbate: I have a vibrator
Fayetteville, North Carolina

Kallie is a waitress in Florida. She wants to become a teacher. She played soccer and volleyball back in high school. "I had a good time in high school. My dream is to go back and teach at the same school I went to." We can't vouch for Kallie's teaching skills, but she's certainly making us sit more upright, and we're definitely paying attention to her!

"I think I'll be the hottest teacher in town."

It seems like every few months there's a news article about a sexy, young teacher seducing one of her male students. Is that going to be Kallie someday? "No way," she told us. "I'm only into older guys, so boys don't do it for me. I want a man in the bedroom. He has to know what he's doing."

"Getting my pussy licked gets me off the easiest. I've only ever had two orgasms in a row, but I can reliably have two if the guy knows how to lick my clit the right way. Otherwise, I love being bent over something and fucked from behind. That way I can just focus on shutting my eyes and experiencing every thrust. The guy gets bonus points if he rubs my asshole. He shouldn't put his finger in my ass, but playing around the outside feels good."

Cadey

Age: 18
Born: November 8
Ht: 5'5"
Wt: 107 pounds
Bras: 34B

Panties: I rarely wear them
Anal: Only licking
BJs: Swallow
Masturbate: Not really

Chicago, Illinois

Cadey sent some nude photos to our website NaughtyMag.com. Now she says that she's addicted to seeing herself online. "I got such a rush from seeing my pictures on your site. Thanks for the free membership, by the way. I probably masturbated to every set you guys have on there." We reached out to Cadey after we got a bunch of emails from our online members requesting more photos of this cute teen. She obliged us by sending this set of nudes. Nice girl.

"I was flattered that you guys contacted me. I need to save money for college, so your check will help me out. But honestly, I would have sent you guys a few pics even if you didn't pay me. I love knowing that guys are jerking off while imagining themselves fucking me. It's actually making me wet right now!" We had no problem sending Cadey a check for her pictures. We're always looking for fresh amateur faces to put in *NewCummers*, especially when they're as cute as Cadey. We asked her what satisfies her best in the bedroom. She responded, "When the other person is satisfied." We told you she's nice!

Wt: 110 pounds
Bras: 32B

Panties: Thongs or nada
Anal: I like licking and touching
BJs: Swallow
Masturbate: Yes

Grand Rapids, Michigan

Adria loves going out and partying and staying out until the wee hours of the morning. She's had some pretty epic nights like that. "I've been known to make some pretty crazy stories when I'm out with my friends. We push each other into doing stupid shit. I can't resist a dare! I'm like Marty McFly. Call me chicken, and I'll do whatever you dare me to do."

We don't want to make Adria sound like a party animal, though. "I actually just like spending one-on-one time," she told us. "I love staying at home, watching movies and snuggling. It's more fun because I can

suck a guy's cock when we're watching Netflix, or whatever. I can idly just bob on his bell, sucking and licking the precum while we're chilling. There's always the pause button if he gets too horny!"

"I masturbate every night before I go to bed. It helps me sleep. One time, I was rubbing my clit while sleeping over at a friend's house. I accidentally woke her up, and we started having sex. She ate me out until I squirted, and then I returned the favor. We had so much fun, we ended up having a hot threesome with her boyfriend the very next night!"

I've ever seen. "Where is it?" I asked, like a schoolboy who had his favorite toy stolen from him. "It's right here," she responded, turning around and wiggling her butt at me. "You flew with a buttplug in?" I asked, incredulously. "I wanted to make sure you had plenty of room in there for your special birthday treat," she replied.

We went into the bedroom, and she began to strip for me as I wiggled off my pants. Her blouse dropped, then her long pencil skirt unzipped and slipped down her legs. She was wearing a bright-red bra, panties and garter belt. She crawled into bed on all fours like a stalking cat before taking my cock into her mouth. I'll be honest, I felt like cumming right then, but I think she could tell that I was close because instead of bobbing quickly on my rod, which she normally does, she was sucking me deeply and slowly. My head rocked backward, and I began to moan. Then she swiveled her body, my cock still in her mouth until her ass was on my face and we were 69ing.

I rubbed and massaged her ass cheeks before pulling her panties to the side. There, right in front of my face, was her perfectly smooth cunt, glistening with her lusty juices. And above that was a deep cerulean blue gem, the flared end of her new buttplug.

I quickly began to lap up her juices, and I could feel her body on top of mine shiver with pleasure. "I've been looking forward to this," she told me. I knew that I wasn't going to last very long before cumming like a teenager, so I told her that I was ready for my present. She climbed off of me and laid on the bed. I pulled off her underwear and got on top. I rubbed the tip of my dick in a circle on her clit. She began to moan, so I slid my rod down to her waiting pussy hole. I slowly pushed into her, feeling each soft, wet inch oil my cock as it went deeper and deeper. She took my whole dick into her warm snatch, her hips bucking a bit as I bottomed out inside of her. I picked up the

rhythm, but not to the point where I needed to cum. Still, I had that burning sensation deep in my nuts. I was not going to last all night.

"I know what you want," my wife whispered. "It's okay. I've been fantasizing about it, too. I've been preparing my ass for you for a week, getting used to having it filled. I want you to fuck my ass now." I didn't need to be told twice. I withdrew my sword from her cunt as she began to pull her toy out of her bottom. I watched as the flared base gave way to a large diameter stainless-steel bulb. She was doing it slowly, and I was amazed as each passing second and each millimeter of length revealed more of the true girth of the toy. By the time the thickest part was showing, the plug must have been twice the girth of my above-normal sized dong. She pulled the toy out the rest of the way and grabbed her asscheeks, pulling and spreading her pre-lubed asshole for me.

I couldn't wait, so I plunged my cock deep into her backdoor all in one go. She yelped with shock! But after a second, the only sounds coming from her mouth were soft murmurs and moans. I looked down at my dick, deep inside of my wife's asshole. Her cunt was right there, empty and juicing. I rubbed her clit as I pumped away, pummeling her ass. Because of the plug, her ass was as comfortable to screw as her pussy, but the visuals of being balls-deep in my woman's forbidden zone made it so much kinkier. My nuts began to swell and tighten. I was going to jizz.

With a powerful thrust, I pushed deep into my wife; I swear my balls were close to going in, too! My cock throbbed out ounce after ounce of baby batter deep into her fanny, and she wrapped her legs around me, trapping me and pushing me even deeper into her. Soon, I was limp inside her butt, so I withdrew myself from her. Her asshole began to close as soon as I was out of her. I knew that I wasn't done with her perfect ass, so I grabbed the stainless-steel plug off of the sheets next to us. I pressed it against her ass and began inserting it. "What are you doing," she asked me. "They call it a buttplug for a reason, babe. I'm

plugging my cum inside of you," I replied. "It'll make good lube for round number two."

My wife stared at me for a moment, taking stock of whether or not she opened up Pandora's box by allowing me access to her luscious butthole. Hell, I had seen the promised land and I'd be damned if I was going to give up my access.

"You can do whatever you want, love," she told me. "You waited patiently for a week for your surprise. I figure you deserve a week-end of all-access birthday sex."

We ended up fucking twice more that night. We moved from the bedroom into the shower, where I lathered her body and licked her freshly fucked pussy to an orgasm. While I tongued her clit, I pushed and swirled the buttplug inside her. It didn't take long for her to moan and writhe in ecstasy. She was gripping my hair, grinding my face with her mound. She returned the favor by sucking me until I was hard again. I fucked her right there in the tub, the water bouncing off of our bodies. I gave her a creampie for the ages.

We eventually moved back to the bedroom where we collapsed into a messy pile of orgasmic shakiness. I dumped another load in her asshole before we went to sleep, and it was incredible for both of us. But, for my money, nothing beat that first round of belated birthday sex. NC

Happy birthday, big boy. You can have whatever you want today.

Lake Worth, Florida

Tala lives in Lake Worth, Florida, although she's originally from The Phillipines. She enjoys kayaking, reading poetry and singing karaoke. "I love to sing, and I'm pretty good at it," Tala told us. "I love taking men to karaoke bars on

our second or third date because I can always blow them away with my hidden talent." We'll bet that Tala blows them away in other ways, too. This all-natural babe with rock-hard nips and a fit butt still looks good at 32.

Tala works long shifts as a nurse. Sometimes when she gets off, she doesn't want any contact with the outside world. Other times, she craves contact. "After being on my feet for a double shift, sometimes I want to go home, take a shower and then have my pussy eaten for a couple of hours. I love getting oral attention from my lovers."

"Anatomically speaking, doggie-style is the best position to make me cum. If I arch my back the correct way, I can take a big cock deep inside me, and on every stroke it will stimulate my G-spot. That, combined with light rubbing on my clitoris, can give me powerful orgasms. But for emotional, face-to-face sex, I prefer the missionary position. I love wrapping my legs around him to feel each powerful thrust."

"If any of my coworkers find out that I shot these photos for your magazine, I'll be in hot water," Tala told us. "I don't think that it violates any ethics guidelines, but getting fucked on-camera is probably frowned upon! I don't think anyone would suspect me, though. I'm normally very quiet about my sex life. People I know would be shocked to learn how adventurous I can be in the bedroom!"
